USAD Board of Directors,

In this annual report and the summary that is provided, you will see that we have made good progress towards implementing our Strategic Plan that began a year ago. Congratulations on your success!

We continue to address tough issues with an open mind and disagree without being disagreeable, and that's good Boardman-ship.

Our committees continue to do great work, and so much is done using technology. Thanks for putting in the extra time to make good things happen for USAD. Yes, we move a little slower because the ship we are driving doesn't turn on a dime, but as long as we keep it moving and making good things happen, we will have achieved our plan. And, of course, let's not forget our staff that puts all of our ideas and thoughts in motion. Without them our jobs would be a lot harder.

Thank you everyone for helping make a difference in the lives of the students we serve.

Sincerely,

A handwritten signature in cursive script that reads "Bob Brezina".

Dear Colleagues:

The Annual Report for 2008-2009 captures the highlights of the fiscal year activity and the primary accomplishments involved in improving the Academic Decathlon experience for students.

As our organization works towards the goal of building “the Premier Academic Competition,” we find ourselves in the state of seeking continuous improvement on a number of levels. The process employed to enhance the efficacy of USAD is one which involves the persons in the decision-making who are ultimately responsible for the required results at each level of the competition.

The primary purpose of the national organization is to provide the needed support at each level to assure the highest quality of interaction of all parties involved. It is with this purpose in mind that I thank you for your effort in assuring the overall success of the competition in each state and at the capstone national competition event. This report speaks to those successes and accomplishments in the areas of the USAD State Director Training, the 2009 National Competition held in Memphis, Tennessee, the USAD-SD organization, the USAD financial position, and the committee recommendations.

I look forward to working with students, parents, coaches, state directors, board members and staff to make the year of 2009-2010 even more successful.

Respectfully submitted,

USAD Administrative Consultant

USAD 2008–2009 Highlights

Over the past year, USAD has succeeded in accomplishing its mission to promote learning and academic excellence among students of varying achievement levels by developing and providing multidisciplinary academic competitions using USAD-based curricula. This year USAD positively impacted the lives of thousands of young people. Following is a summary of some of USAD's accomplishments in 2009.

USAD's 2009 National Competition Was a Tremendous Success

USAD's 2009 National Competition, held in Memphis, Tennessee, was a great success. USAD joined with the Tennessee Academic Decathlon to host more than 350 students from thirty-seven states and one team from England at the competition.

To further USAD's goal of recognizing and promoting academic excellence, USAD awarded scholarships to sixty-nine students from across the country. USAD awarded the Kristin Caperton Award to Rob Dooling, from Omaha, Nebraska. Andrew Wei from North Penn, Pennsylvania, was awarded an additional Kristin Caperton Award, which was issued this year to a participant not attending the National Competition. The Kristin Caperton Award recognizes students who overcome significant obstacles in their personal lives while participating in the Academic Decathlon.

USAD administered the national essay competition online, two weeks prior to the National Competition. Enlyght Software, a sponsor of USAD, provided USAD with the software and training needed to make the online essay event possible. Students wrote their essays on a computer at a designated location with a proctor(s) present, and a national team of essay graders scored the essays remotely. Holding the essay online and in advance of the National Competition allowed the USAD scoring team to handle the scoring of the event more efficiently, and it also freed up more time in team schedules during the onsite competition. Moreover, it allowed USAD to work with a national team of seasoned essay scorers. USAD has received positive feedback from students, coaches, and state directors concerning the online essay event.

USAD Strengthened State Programs

In 2009, USAD positively impacted the lives of students attending over 2000 high schools nationwide. USAD strengthened state programs by working in close association with USAD-SD and by encouraging partnerships and mentoring among State Directors.

USAD staff assisted with several state competitions again this year and will continue to assist where needed. USAD Worked to Ensure Program Retention and Growth

USAD welcomed new State Directors in Kansas, Mississippi, New Jersey, Pennsylvania and Tennessee.

USAD Offered Teams High-Quality Curriculum and Assessment Materials

For the 2008–2009 academic year, USAD offered students a challenging and comprehensive interdisciplinary curriculum that met numerous national content standards in six academic subject areas. USAD developed three new practice test products, which included Level Practice Tests, Specialty Tests, and Combo Quizzes. The 2008–2009 curriculum focused on the theme of "Latin America."

USAD Maintained Positive Partnerships with Its Corporate Sponsors

USAD maintained positive relationships with each of its corporate sponsors. USAD welcomed two new corporate sponsors in 2009: Audience Response Systems, whose technology facilitated the national Super Quiz oral relay event, and Dollar General Literacy Foundation, who sponsored scholarships for medal-winning students in the essay event at the 2009 National Competition.

USAD 2008–2009 Highlights (continued)

USAD Hosted Three Virtual Competitions

The fourth small school virtual competition was held in April, coinciding with the national competition dates. Schools with enrollments of less than 650 students participated. More than 180 students from twenty-one states participated in this competition, which featured eight of the ten Academic Decathlon events. Over 100 medals were distributed.

USAD also hosted the second medium school virtual competition, which was also held in April, coinciding with the national competition dates. Schools with enrollments between 650 and 1300 students participated. More than 150 students from seventeen states participated in this competition, which featured eight of the ten Academic Decathlon events. Over 100 medals were distributed.

In addition to the small and medium virtual competitions this year, USAD also hosted a virtual competition for International students. USAD is looking forward to continuing this venture.

All events were successful due to USAD's sponsor, Enlyght Software.

USAD Staff: Les Martisko, Administrative Consultant

Terry McKiernan, Curriculum Director

USAD Policies and Procedures

To maintain an organized history of USAD Board actions, USAD has developed a document that lists and categorizes all Board actions from January 2002 to the present. This document will be continually updated as new actions are taken.

The actions are organized into the following categories: Board of Directors, Competition, Finance, Operations, Program, Corporate Sponsors and Partners, USAD Website, PR and Marketing, and USAD Strategic Plan. New categories will be added as needed.

USAD 2009 National Competition Update

Memphis, Tennessee, was the site of the 2009 United States Academic Decathlon National Competition. Thirty-seven states from across the United States competed for scholarships and honors. A school from London, England also participated in the competition this year.

The Downtown Marriott Hotel and the Cook Convention Center were used as the host sites for the competition.

The first event, an opening social, was held on Wednesday evening and provided everyone with some Southern pulled barbecue pork and coleslaw. Contestants, coaches and board members were even entertained by Elvis!

Testing began Thursday morning, and the speech and interview events followed in the afternoon. Team photos were taken throughout the afternoon. After speech forms were submitted to the USAD staff, the Speech Showcase lineup was announced.

Following the final testing on Friday morning, the Super Quiz Relay was held in the Cook Canon Center Theatre and was emceed by Richard Ransom, anchor for the local Channel 3 News.

Speech Showcase was emceed by Stephanie Gatewood, Marketing, Research Associate at the Center for Research in Educational Policy, at the University of Memphis. Celebrity judges for the evening were Dr. Bobby Webb – Superintendent of Shelby County, Dedric McGee – Science Curriculum Specialist, Shelby County, Jane Walters – Former Tennessee DOE Commissioner of Education, and Johnny Shaw – Representing House District 80.

The Awards Presentation Banquet luncheon was held on Saturday. The overall winner of the competition was Moorpark High School from California. The Awards Banquet was followed by a winners' reception for the National Title winner and the first-place divisional winners.

2008–2009 USAD-SD Report (United States Academic Decathlon—State Directors)

The USAD-SD group held two meetings during the 2008-2009 competition year. The summer workshop meeting was held in July in Kansas City, Missouri, and the spring meeting was held in Memphis, Tennessee, during the national competition. Meetings were held to review the year and address any concerns.

At the July meeting, the following items were discussed:

- Promotional DVD
- Access to USAD Test Writers
- Calculator Policy
- Leveling the Playing Field
- Honor Cords
- Apperson Printers
- Online Competition/Speech & Interview
- USAD-SD Media Blitz

Two demonstrations were also held, one on USAD Scoring and the other on the Online Competitions.

At the April meeting, the following items for the agenda were selected for the summer meeting:

- GPA Review
- Co-op Teams
- Demographic Census Collection
- Division Format
- USAD communication process
- All-star Relay

New State Directors for the 2008-09 competition year are:

- Brenda Ables – Tennessee
- Megan Clark – Kansas
- Glenn Koegel – New Jersey
- Anne McCauley – Mississippi
- Michelle Schroeder and Joey Duke – Pennsylvania

This year at nationals, state directors played an important role once again by serving as proctors for tests, judges and Super Quiz™ relay proctors. USAD was very grateful for all of their contributions.

A longtime state director retiring this year was Diane Hansen (Kansas). Many thanks for her contributions to USAD students over her many years of service.

Region representatives for the 2008-09 year are: WEST, Ed Rogers, chair, Anne Edelstein, alternate; SOUTH, Patty Neuwirth, chair, Cary Sell, alternate; MIDWEST, Kyle Harrop, chair, Molly Ritchie, alternate; NORTHEAST, Norman Katz, chair, David Heckman, alternate.

The region representatives are responsible for helping with communication and support to directors in their area of the country.
